Your toddler will enjoy playful time of exploration in a safe and fun environment. Movement exploration, coordination, body awareness and small motor skills are just some of the components enhanced in these classes. While developing listening and social interaction skills, your child builds confidence and self-reliance while the adult becomes a facilitator of the child's sensory and motor movement discoveries. These classes require one adult per enrolled child for participation.

Transitional Preschool Gymnastics

2.5 - 3 year old girls and boys

This class is designed for toddlers ages 2.5 to 3 years old who are ready to transition from the Parent & Me Gymnastics classes to the 3 year old independent Preschool Gymnastics classes. Basic fundamentals on our special age and size appropriate apparatuses are introduced in a fun and innovative curriculum of stations and small circuits to develop fine and gross motor skills as well as basic gymnastics skills on the vault, bars, beam, trampoline and tumbling floor.

Approval from Parent & Me Gymnastics coach required for enrollment.

Tuition

Tuition is based on enrollment (not attendance) and an average of four class weeks per month. No additional fee is charged when a fifth class week occurs in a month, nor is tuition prorated or refunded when less than four classes are attended for any reason including holiday closures.
