TEAM OC Trampoline & Tumbling

Team OC provides a comprehensive T&T program with all children in mind! We offer instruction at the recreational beginning, advanced beginning, intermediate and advanced levels. In addition to our T&T Academy, we are home to a highly successful competitive team whose members hold state, regional, national and international championship titles.

Participation in structured trampoline and tumbling activities has proven benefits to children of all fitness levels. Athletes as well as children reluctant to begin physical activities have taken advantage of the numerous fitness and academic benefits that trampoline and tumbling offers. This program is designed to promote balance, coordination, body and spatial awareness while introducing the fundamentals of the activity. Progressive developmental skills are based on the USA Gymnastics Trampoline & Tumbling Jr. Olympic curriculum.

Students are placed according to age and ability level. All classes are co-ed.

T&T STUDENTS MUST WEAR CLEAN COTTON SOCKS AND APPROPRIATE ATHLETIC ATTIRE TO ALL CLASSES!

GIRLS: Leotard, stretch shorts; hair secure, NO jewelry! BOYS: Athletic shorts, t-shirt or compression shirt tucked in
